## PROJECT

Student will maintain a separate scrapbook named as "GREEN DIARY" that has to be maintained till class VII by updating at regular intervals as instructed by the subject teacher.

**TASK:** Observe any five plants in your surroundings, write their names, classify them into herbs, shrubs, creepers and climbers. Write their two important features and three uses.

**Note:** Click and paste your picture along with that plant in the scrapbook.

## ACTIVITY

**1. DAADI MAA KE NUSKHE:** Naturopathy is a form of alternative healing. Spend some leisure time with your Grandparents, discuss with them and find out three home remedies used in treating ailments of sense organs. Write them on your scrapbook.

**2. BEAT THE HEAT:** To ensure your good health, you should make sure to increase the intake of water during summer. Write two recipes of your favourite healthy drinks on coloured A4 size sheet. Take help from your parents to prepare them and enjoy with your family.
